

MATH TUTORING & SUPPORT

FOR UNIVERSITY OF DELAWARE ASSOCIATE IN ARTS STUDENTS

The **AAP's Math Learning Lab** is staffed with faculty and peer tutors. Our math tutors can offer you free expert guidance via Zoom by helping to clarify areas of confusion, reviewing key concepts, and working with you to develop effective study strategies. For Wilmington students, in-person math tutoring is available in **Room 926 of the CEB**. All AAP math tutoring is offered on a drop-in basis; there is no need to make an appointment.

Whether you are preparing for a major exam or just have a quick question about a homework assignment, the tutors at our **Math Learning Lab** can provide you with the academic support you need to succeed at UD!
