## 2020 Spring Semester Final Exam Schedule

### Wilmington Campus

**Instructions:** Check with your instructors to see if their course will have a final exam. The chart below shows the day/time the final exam will be held. To read the chart, find your regular weekly class times (not highlighted); then, check the times and dates of their scheduled exams (highlighted in blue). For example, if you have a M/W class that meets starting at 8:00am, your final for that class will be on Wednesday, May 20, from 8:00am to 10:00am.

**ADDITIONAL NOTE:** One exception: Students in CHEM103-710 and CHEM103-711 will take their final exams for these courses on Wednesday, May 20 from 3:30pm to 5:30pm in room 429 of the DelTech building.

If there are any other exceptions to the schedule below, your instructor will inform you in a timely fashion.
